

Deseret Peak Stampede Days June 6-7, 08

✚ January 24, 2008

✚ Dear Vendor:

The 2007 Deseret Peak Days Craft Show was a great success! We are continually making improvements and the show grows every year. Teaming up with Tooele Idol was very beneficial. This event would not be possible without our continued vendor support. Please join us as we continue improving this event.

We are excited to announce the 9th annual Deseret Peak Stampede and Days celebration it will be accompanied by television advertising on KUTV Ch. 2. These combined events will be held Friday June 6, through Saturday June 7, 2008 at the Deseret Peak Complex in Tooele, Utah. The craft show will be on Fri. from 3-10pm and Sat. 12-10pm.

Attached you will find a booth application for the Deseret Peak Days Craft Show. We extend applications to past vendors first. **The craft show will open to new vendors after Feb. 5, 2008.** Please fill out the information and return the application in a timely manner. The application deadline is May 23, 2008. There will be a \$10 late charge for applications received after this deadline. No applications will be accepted after May 30, 2008.

Also attached is a booth map, please indicate your first, second and third choice. Past vendors have the first right to their previous booth space (you must have the application filled out and returned by Feb. 5, 2008). We will try and limit vendors selling the same product, but this will be on a first come first serve basis. The sooner we receive the applications reflects the quality of our craft show, please respond promptly.

Thank you for taking the time to look through these vendor opportunities. If you need more information or have any questions, please feel free to contact me at the following:
